<td>Quinn Dombrowski, <a href="mailto:quinnd@berkeley.edu">quinnd@berkeley.edu</a></td>
<td>Dean Irvine, the person in charge of AHA, is an English professor in Canada who has led a number of Drupal-based digital humanities projects. He deals with the logistics and paperwork for a number of developers he's worked with who want to do freelance work on academic projects. He has extensive experience with higher ed, particularly the humanities, and communicates well with faculty, including those with little or no technical experience (though I've volunteered as a technical go-between for these projects.)</td>

<td>Drupal Connect was founded in 2008 and has made Inc Magazine’s list of the fastest growing companies in America twice. Drupal Connect was also awarded top Drupal Agency in New York by Clutch.co and rated the top company to work for in Rhode Island by GlassDoor.com. We have sponsored dozens of Drupal events, Drupalcons and are regarded as one of the top Drupal agencies in North America. Some of our private sector clients have included McKesson, Olympus, Career Builder, A&amp;E, Sony Music, Guess Watches, AOL and over 300 others. Our higher Ed experience is extensive, San Francisco State University, Texas University School of Business, Stanford University, Columbia University, Stevens Institute of Technology, Harvard, Yale and many more.</td>
