

Work Areas

This page is a container (parent) to pages organized by Work area. Work Areas form the organizational structure for building the project deliverables.

For background, you might also be interested in seeing pages excerpted from the Project Bamboo Technology Proposal to the Mellon Foundation, July 2010.

1. [BTP Project Deliverables - Phase One](#) for a high level overview of Phase One project deliverables;
2. [BTP Work Plan - Phase One](#) for the Phase One work plan at three levels of detail (all high level);
3. [BTP Technical Approach - Phase One](#) for a high level overview of Project Bamboo's overall technical approach.
4. [List of excerpts](#) from the July 2010 *Project Bamboo Technology Proposal to the Mellon Foundation*.

Work Areas

- [Work Spaces](#)
- [Tools and Services Registry](#)
